

JT Enterprises is pleased to bring the Twister Fun Run to your school. The Twister Fun Run promotes Education and Fitness while raising thousands of dollars for your school with our on-line platform. Twister Fun Run is a chance for you to provide a fun addition to your traditional product fundraising efforts.

The Program

Kick-Off

Our team will provide a motivating educational kick-off teaching your students all about tornados (twisters), complete with the experience of all its components; wind, rain, thunder and lightning with the theme of the most famous tornado movie of all times, the Wizard of Oz, featuring the Tin Man, Scarecrow, Cowardly Lion and of course, Dorothy and the famous Yellow Brick Road.

Pledges

After the kick off, the students will get pledges from family and friends. The pledges are pre-paid so you have the money up front and don't have to worry about collecting the pledges later. Pledges are paid with cash, checks, Pay-Pal, & credit/debit cards.

On-line Platform

You will receive donation pages for your school and every student. Donation pages are shared nationwide via e-mail, face book and text. All donations are real time so you know every time a donation is made. This on-line platform was invented by fundraisers to help schools raise money; you will see an increase of 3 to 4 times over using a non-on-line donation plate form.

Twister Fun Run

After all of the pledges are in we'll complete the Twister Fun Run with the experience of a tornado that we started with the kick-off. Students will run, walk or crawl the amazing Twister Fun Run track, including running through the Twister Tunnel.
